LPG Safety Tips एलपीजी सुरक्षा सुझाव

Insist deliverymen for Pre-delivery checks of LPG cylinder.

डिलीवरीमैन से एलपीजी सिलेंडर की प्री-डिलीवरी जांच करवाएं।

Keep LPG Stove on Platform above the cylinder level. Cylinder should be in upright position.

एलपीजी स्टोव को प्लेटफॉर्म पर सिलेंडर लेवल से ऊपर रखें। सिलेंडर सीधी स्थिति में रखें।

Keep the cylinder valve capped with Safety Cap when not in use.

उपयोग में न होने पर सिलेंडर वाल्व को सेफ्टी कैप से ढक कर रखें।

Switch off regulator when not in use.

उपयोग में न होने पर रेगुलेटर बंद कर दें।

Replace Suraksha Hose every five years or earlier if damaged. Please check Validity date printed on Suraksha Hose.

सुरक्षा होज को हर पांच साल या उससे पहले क्षति ग्रस्त होने पर बदलें। कृपया सुरक्षा होज पर छपी वैधता तिथि की जांच करें।

Get your LPG Installation inspected once in 5 years by Authorised HP Gas Mechanic.

अधिकृत एचपी गैस मैकेनिक से 5 साल में एक बार अपने एलपीजी इंस्टालेशन का निरीक्षण करवाएं।

SAFETY TIPS:

- Keep cylinder in upright position only at ground level in well ventilated place.
- Always keep LPG Stove on platform above the cylinder level. Do not keep cylinder in cabinet or in a pit below floor level.
- Extinguish all open flames while changing the cylinder or Suraksha LPG hose and while servicing the appliances.
- Switch off the regulator when not in use.
- In case the cylinder is not in use for long, please disconnect the regulator & keep the cylinder valve capped with Safety Cap.
- Use only Suraksha LPG Hose available with your HPGAS distributor.
- It is mandatory to get your LPG installation checked once in 5 years by authorized HP Gas mechanic.
- In case of leakage,
 - a) Open all doors and windows.
 - b) Ensure that Kerosene, stove, diya, incense stick, candle etc. are not in lit conduction in kitchen
 - c) Do not operate any of the electrical switches either from ON to OFF or OFF to ON.
 - d) Call 1906, it is 24 X 7 Emergency Toll free number for LPG Leakage complaints.

IMPORTANT INFORMATION:

- Domestic LPG cylinder is meant for domestic cooking purpose only and should be used at registered address.
- The cylinder should not be sold, repaired, hypothecated, transferred or shifted to anyone or any other address.
- Always insist for Pre Delivery Check (PDC) by the deliverymen at the time of refill delivery for your safety
 - a) Visual inspection of LPG installation.
 - b) Deliverymen to open the seal in front of you and check the cylinder for defect/leakages.
 - c) Please get the cylinder checked for correct weight.
 - d) Demonstration of the soundness of cylinder, by connecting it with the Gas stove.
- Customers are entitled for cash & carry rebate in case of non-home delivery of LPG cylinder.
- In case of any accident involving LPG installation, customers must intimate HPGAS distributor immediately. We have taken PLI Policy to cover loss of life/property and medical expense in case of accident caused primarily by leakage of LPG at registered premises.
- Wide variety of allied LPG products are available with HPGAS Distributors - Glass top stoves, High thermal efficient stoves, cooking appliances and other products at competitive rates.
- M.R.T.P. Notification: It is not obligatory for customers to buy LPG stove from the distributor.
- While buying LPG stove from outside source, please ensure that the same bears ISI mark.
